Introduction	
Learning Outcomes.....	i
Faculty.....	ii
Acknowledgments.....	iii
Part I. Phonology [Production] and Intelligibility	
Overview and Foundation Information.....	1
Phonological Acquisition.....	4
Assessment/Analysis Considerations.....	6
Treatment Considerations.....	9
Selecting Optimal Target Patterns to Expedite Intelligibility Gains.....	11
Inappropriate Targets for Preschoolers.....	13
Treatment Sessions.....	14
Advanced Target Patterns for Students Above 8 Years of Age.....	16
Recommendations for Phonology and Special Considerations.....	17
Part II. Metaphonology [Awareness] and Literacy	
Foundation Information.....	18
Literacy.....	19
Metaphonological Awareness.....	21
Recommendations and Suggestions.....	26
Part III. Client Example	
Pretreatment Phonological Assessment Results at Age 3:6.....	28
Treatment Goals.....	30
Target Patterns for Cycles One and Two.....	31
Interim Phonological Assessment Results at Age 4:7.....	33
Target Patterns for Cycles Three and Four.....	34
Post-treatment Phonological Assessment Results at Age 5:7.....	34
Recommendations and Additional Considerations.....	35
Appendix: Phonetics Review.....	36
Appendixes	
A. Intelligibility/Severity Measurements of Prekindergarten Children's Speech (AJSLP, 2000).....	38
B. Collaborating to Obtain Phonological Acquisition Data for Local Schools (LSHSS, 2001).....	48
C. Evaluating Communicative Abilities of a Highly Unintelligible Preschooler (AJSLP, 2002).....	55
References.....	62
Additional Readings.....	65
